

## **FINGAL BAY SPORTS CLUB - NEWS - JUNE 2020**

The Club has successfully reopened, albeit on a reduced basis regarding opening times and social distancing limits, but it is great to see members and guests once again enjoying the facilities. The take-away meals have proved popular, and will continue alongside the bistro menu which is now available.

Note the new Club opening times:

Wednesday	12 noon to 8.00pm
Thursday	12 noon to 8.00pm
Friday	12 noon to 9.00pm
Saturday	12 noon to 8.00pm
Sunday	3.00pm to 8.00pm.

### **BOWLS**

Plans are in place for the commencement of roll-ups and practice bowls. Late next week we will be advertising bowling activities, days and times. There has been no word from authorities regarding when competition bowls will be allowed, but everybody is keen, and looking forward to starting up again when the go ahead is given.

### **FRIDAY RAFFLES**

Friday raffles, popular with members, will recommence on Friday 19th June. Initially there will be 20 meat trays. Tickets will be on sale from 5pm with 2 draws of 10 trays each at 6.00pm and 6.30pm.

### **FINANCE**

The Board would like to thank all of the members who have been able to take up the gold and silver membership options. Currently we have raised over \$11,000. There is still time before the end of June to renew memberships and take advantage of these offers.

The Club continues to benefit from the government's JobKeeper wage subsidy which has kept permanent and long-term casual staff engaged with the Club during the shutdown period.

The expression of interest period regarding the sale of the land continues. There have been a number of positive enquiries and a possible meeting with a developer is being negotiated to take place in the near future to discuss the options available.

Members should also be aware that the Board has been approached by another Club regarding the possibility of amalgamation. Such a venture may mean that the land sale is not required in the immediate future. In this changing club world, and with the aim of achieving the best possible outcome for FBSC's future, the Board is seriously considering all options.
